## **2021** Annual Report

The Rosendin Foundation was formed in 2020 as a 501 (c)(3) charitable corporation to act as the charitable arm of Rosendin Holdings, for which all charitable giving would be centralized or guided. The Foundation partners with nonprofit organizations in our local communities with focus areas of emotional, nutritional, and occupational health. Through financial assistance, direct services, and volunteer hours, The Rosendin Foundation strives to support the wellbeing of our communities.

“

# COMMITTEES THAT CARE

The **Communications Committee** participated in it's first ever National Day of Service on September 17, 2021. Team members from around the country spent time organizing and packing meals for others, planted fruit and vegetable plants at the Giving Farm, helped restore a veteran's home by building a ramp and fence, and cleaned up a community garden. The Foundation is continuously committed to serving our communities.

The **Finance Committee** helped develop the budget, managed the audit, and helped with ROI development. Committee members also helped distribute grants to local nonprofits.

## COMMITTEES THAT CARE

The **Fundraising Committee** started executing its fundraisers with four virtual fundraisers, launched the paycheck contributions process, and developed an annual sponsorships plan by creating a legacy circle to ensure that The Foundation amplifies its growth beyond Rosendin Holdings' yearly contribution. Fundraisers included virtual events such as an art auction, a sports auction, a cooking and mixology class and cyber monday event.

A special thank you to our donors for supporting The Rosendin Foundation. Rosendin Holdings on behalf of Rosendin and MPS matched 100% of employee donations, thereby doubling the impact of employee tax-exempt donations.

## **She Built This City**

is extremely grateful for this investment in our workforce development initiatives. Studies have shown that women often have more injuries on job sites due to ill fitting PPE since most are not designed for the female stature. For our two trades training programs this year, we will be using a portion of our proceeds to invest in PPE and clothing that is specifically designed for women. Thank you to the Rosendin Foundation for making safety a priority. ”

## MESSAGE FROM THE PRESIDENT

---

As we look back on 2021, I continue to be grateful to the amazing community we have fostered and the culture of service we have built at The Rosendin Foundation. Our volunteers and supporters have really stepped up to lead. We launched our first National Day of Service and in 2022 we doubled the number of service activities supporting our community in 15 different local areas. We have made a positive impact on our communities. We launched our annual grants and have become an incubator of sorts helping smaller nonprofits scale and grow new programming to build and empower people. When we launched in 2020, we formulated our mission, and in 2021, we started to really carry it out by donating half a million dollars to our communities. The men and women of Rosendin Electric and Modular Power Solutions have volunteered their precious time, shared their incredible talents and ideas, and donated their treasure to help others. The Board and I look forward to welcoming more supporters into our community in 2022 as more learn of our accomplishments through the Roadshow.

Please accept our sincere thank you to the entire Rosendin Holdings workforce. Without your hard work, The Rosendin Foundation would not exist. Your actions live up to the core values of We Care, We Listen, We Share, We Innovate, We Excel, and We Are Thankful!

As we continue to expand our work, we look forward to partnering with each of you to meet the challenges and opportunities to share our mission as together we can accomplish it.

**Jolsna Thomas**

President
